RE: Letter of Commendation for Mr. Larry Rodgers and  
Mr. Bob Guy

It gives me great pleasure to write this Letter of Commendation for Mr. Rogers and Mr. Guy for their outstanding work and performance in completing the building construction and renovation project at Pleasant Grove Baptist Church.

Mr. Guy came into this project when problems with the electrical subcontractors had caused a stoppage in work production. Mr. Rodgers had a meeting with me and assured me that he would finish this project within the allotted time. That is the reason I am writing this letter to you. Mr. Rodgers put together a team along with Mr. Guy that lived up to the saying that "the measure of a man is how he handles difficult situations." They are dependable, reliable, punctual, attentive to details, easily communicable by telephone or e mail and showed a high level of professionalism and knowledge of the building industry. They have our respect for a high standard of performance and quality of workmanship exhibited regarding this building project.

I wish God's blessings and continued success for them. They are a valuable asset to your corporation.
